TO : Chief, Operations School

DATE: 31 August 1955

FROM : SUBJECT: Weekly Report No. 35
23 - 30 August 1955I. SIGNIFICANT ITEMS

Nothing to report.

II. OTHER ITEMS

No. 30 scheduled for 29 August to 16 September was cancelled because there were only nine students signed up for it. Moreover, the level of the students or their present or projected assignments did not appear to warrant the time and effort required of guest lecturers such as and other busy staff and operating area personnel. It was recognized, however, that four of the students (all from the FE Division) will be leaving on overseas assignments within 6 weeks and could benefit from instruction. Special tutorial instruction was therefore arranged for them, and will be given from 30 August to 9 September. Emphasis will be placed on pertinent to their future assignment.
